

# Year 1 Curriculum and Homework Project Newsletter – Spring 2

## English

As writers and readers we will be learning how to use exclamation marks and question marks. We will also be introducing adjectives and plurals to sentence structure. We will continue to improve our reading through guided reading and begin to look at inference.

## 'What's around us?' Topic

In Geography we will be looking at the physical and human features in our local environment.

As Artists we will be studying Georgia O'Keeffe, making observational drawings and creating 3D relief pictures.

## Homework

Can you make a board game featuring what's around us in the local environment? This should be no bigger than A4 and should be in the week beginning 23<sup>rd</sup> March.

## Maths

As mathematicians we will be recognising fractions as half and a quarter of objects and amounts. We will also be looking at repeated addition and division. As always we will be investigating problem solving.

## Science

As Scientists we will be exploring the life cycle, growth and structure of plants.

## RE

In RE we will be appreciating the wonder of spring and the significance of Easter.

## Music

We will be learning to use Charanga to keep a beat and learn how to play a Glockenspiel.

## PE

In P.E. we will be working with Soccer 2000 or in Gymnastics we will be learning how to use our bodies to roll and move carefully.
