

Tuesday

Good morning Reception and happy Tuesday. How are you all feeling after your first day of reception home learning? I am sure you did an amazing job.

As part of our home learning for Mathematics we are going to look at a number each day!

Today's number is One

Challenge 1- Drawing 1.

Can you draw or paint a picture of an autumn day can you draw one sun in the sky? One cloud? One house and one dog.

Challenge 2- 1 on the clock.

Have a look at a clock in your house, can you see the number 1 on it? What number is it next to? Can you draw a clock? How many number ones do you have to draw on it?

Challenge 3- Coin hunt.

Ask a grown up to help you find some coins, can you find a 1p coin? Can you find a £1 coin? Can you see the number 1 on these coins? Can you see the word one?

Challenge 4- Number 1 hunt.

How many number 1s can you find in your house? How many different number 1s are there? Can you spot the number 1 in different ways like one dot on a dice?
