Tracking Positive Cases after the Last Day of Teaching During Half Term

Dear Parents and Carers,

Recently the Department For Education confirmed again the following guidance to all schools:

We recommend all schools ensure staff, parents and carers are aware of the following information and relevant arrangements regarding positive cases in the holidays:

'For the first 6 days after teaching ends, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.'

Our last two teaching days this half term will be on Thursday 11th February and Friday 12th February.

Therefore, if your children develop any symptoms on **Saturday 13th February or Sunday 14th**

February, you will need to inform the school immediately using the following email address.

westacreinfantschool@wolverhampton.gov.uk

The guidance remains the same and you should book a test as soon as possible and inform the school of the result. Adhering to the guidance will enable us to track any possible positive cases within school for the last few days of term.

Thank you in advance for your continued support,

Mr Aidan Edmunds

Headteacher
