

# Year 2 Curriculum and Homework Project Newsletter – Summer 1

## Victorian Topic

As Historians we will be experiencing life in Victorian times.

As Designers and Technologists we will be looking at sewing,

As Artists we will be focusing on the William Morris, printing and creating observational drawings

## Homework Project

Become a Victorian inventor, design and make something out of junk modelling.

Projects to be in by Monday 24<sup>th</sup> May 2021.

## English

As writers and readers we will be writing a range of stories.

## Maths

As mathematicians we will be focusing on place value, addition and subtraction.

## PSHE

In PSHE we will be focusing on family and friendships. Also we will be looking at

## Science

As Scientists we will be focussing on plants, habitats and life cycles.

## Computing

In Computing we will be learning about coding.

## PE

In PE some children will be focusing on sending and retrieving a ball. Exploring skills such as batting, bowling and fielding.
