

	Monday	Tuesday	Wednesday	Thursday
Reading	<p>Ella Bella Ballerina and A Midnight Summer's Dream</p> <p>Follow the reading lesson from BBC Bitesize Daily lessons by clicking this link:</p> <p>https://www.bbc.co.uk/bitesize/articles/z6djr2p</p>	<p>Comprehension</p> <p>Follow the reading lesson from BBC Bitesize Daily lessons by clicking this link:</p> <p>https://www.bbc.co.uk/bitesize/articles/zpfk3j6</p>	<p>Ronald the Rhino</p> <p>Watch the story being read on you tube:</p> <p>https://www.youtube.com/watch?v=0QnXpkceSU&feature=youtu.be</p> <p>On our website are three differentiated reading extracts and related questions. Choose an extract for your child to read one star (easier), two star or three star (harder). Help them with reading tricky words and understanding meanings. Then ask your children to complete the questions that accompany the reading extract that you have chosen. Display them on the PC and ask your child to write their answers down using full sentences. The answers to each questions are on the PDF so you can check their answers once the activity is complete.</p>	<p>Read your favourite story to your grown up.</p> <p>Draw a picture of the main character and write down everything you know about the character. Use the story to help you.</p> <p>Tell your grown up:</p> <p>Why you like this story. Which is your favourite part of the story. What you like about the main character.</p>

	Monday	Tuesday	Wednesday	Thursday
Maths	Measuring Length and Height Follow the Maths lesson from BBC Bitesize Daily lessons by using this link: https://www.bbc.co.uk/bitesize/articles/zcbwr2p	Comparing Length and Height Follow the Maths lesson from BBC Bitesize Daily lessons by using this link: https://www.bbc.co.uk/bitesize/articles/z9dp7yc	Solving Problems involving Length and Height Follow the Maths lesson from BBC Bitesize Daily lessons by using this link: https://www.bbc.co.uk/bitesize/articles/zdfq4xs	Comparing Mass Follow the Maths lesson from BBC Bitesize Daily lessons by using this link: https://www.bbc.co.uk/bitesize/articles/zpgtjsg

	Monday	Tuesday	Wednesday	Thursday
English	Mary Seacole Follow the History lesson from BBC Bitesize Daily lessons by clicking this link: https://www.bbc.co.uk/bitesize/articles/zg7n2v4 Complete Activity 1: Make a poster about Mary Seacole.	Florence Nightingale Follow the History lesson from BBC Bitesize by clicking this link: https://www.bbc.co.uk/bitesize/topics/zns9nrd/articles/znsct39 Write down as many facts about Florence Nightingale as you can. Remember to use capital letters and full stops.	Edith Cavell Look at the PowerPoint on our website about Edith Cavell. Make a timeline of dates and key events in the life of Edith Cavell.	Information Writing This week you have found out about three nurses who all did remarkable things during their nursing careers. Take your favourite nurse that you have learnt about this week and create a fact file about them. Remember to include: <ul style="list-style-type: none"> • When were they born • Where were they born • Main events in their life, both as a child and as an adult • Interesting facts • The reason why they are so famous • The difference they made to nursing • Draw a picture of the nurse • The reason why this is your favourite nurse of the week.

Science	<p>This term our Science Topic is 'Plants'. Choose one activity to do each week.</p> <ul style="list-style-type: none"> Parts of a Plant Go on a flower/plant hunt in your garden or on your daily walk. You can also use books to help you. How many different kinds can you see? Now:- https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/z3wpsbk Watch the video. Can you draw a plant and label the different parts of it. Lifecycle of a Plant Watch the video to find out about the lifecycle of plants. Choose a plant and find out about its lifecycle. Just as you did with the dandelion last term, now draw and write headings for each stage of its growth. https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/z2vdjxs Seed Dispersal <u>Question: - 'I found a plant in my garden but I definitely didn't plant it there! How do you think it might have got there?'</u> <u>Watch the video and make a list of all the different ways a seed can travel.</u> https://www.bbc.co.uk/bitesize/clips/znvfb9q Growing plants <u>Question: - 'What do you think a plant needs in order to grow and stay healthy?'</u> <u>Write a list of all the ways you could care for your plant. Now watch the video. Did you include everything?</u> https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/zxxsyrd <u>If possible, grow your own plants from seeds. Keep a diary and take photographs so that you can record how it grows.</u> Hydroponics <u>Question:- 'Does a plant need to have soil in order to grow?'</u> Watch the video to find out! Perhaps you could have a go at growing your own beans in a bag. Or, could you write a list of all the places where there might not be any soil for plants to grow. Think Worldwide!! https://www.youtube.com/watch?v=I26Uuxc2mwU

Topic

All About Me

Make a leaflet or poster about the area in which you live. The purpose of the leaflet is to help someone who is new to the area learn about it and know where to go to do their shopping, where they can go to eat, where they can go to exercise or just have fun.

Think about all that your area has to offer:

- Shops
- Restaurants
- Pubs
- Parks
- Libraries
- Green spaces

Remember to persuade them that your area is the best area to live.
