Dear Parents and Carers,

The end of the first term is nearly here and what a term it has been! We love working with your children but it has been incredibly hard some days. The staff and I have been overwhelmed by your words of encouragement and I would like to take this opportunity to thank you personally for your continued support.

Despite everything, we have still managed to have lots of fun in school and the children all did brilliantly in their Christmas Productions. Today the children had their Christmas Dinners and had a visit from Father Christmas. We will continue to plan events and make sure your children have fond memories during this difficult time.

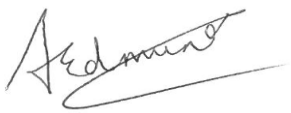
Your children have been amazing this term! Adapting to all the changes and continuing to smile throughout the days has really kept us going. I am so proud to be their Headteacher!

At this busy time of year and with all of the material things we receive at Christmas, we can easily forget that the most precious gifts of all are our family and friends. Perhaps with everything that is happening we might all appreciate that a bit more this Christmas.

I hope that you all have a fantastic Christmas and enjoy the New Year celebrations with your immediate family. We are back to school on Tuesday 5th January and I look forward to seeing you all then.

Year 2 have left a special Christmas message for you in the video section of the website!

Merry Christmas and a Happy New Year



Mr Aidan Edmunds

Headteacher
