Christmas Card Arrangements

Dear Parents and Carers,

To comply with Health and Safety arrangements in school, we are operating a safe system for the children to send and receive Christmas Cards this year.

The children will need to bring in their cards on **Mondays** and they will be given out to them on **Fridays**, which allows sufficient time for quarantine measures.

The children have been provided with a class list of names to help them.

Cards can be brought into school on:

Monday 30th November

Monday 7th December

Monday 14th December

Please do not send in cards on any other days

Cards will be sent home on:

Friday 4th December

Friday 11th December

Friday 18th December

Thank you for your continued support

Mr A Edmunds
Headteacher
