

Good morning Reception and happy Tuesday. How are you all feeling after your first day of reception home learning? I am sure you did an amazing job.

Phonics

This week in lessons we are starting our phonics! We will learn a new sound every day, look at how we write that sound and find out how that sound is blended with other sounds to make words!

Our first sound is A

I have included a link to a video of a teacher doing a super phonics lesson with our next sound, you can stop the video when you have learnt our new sound.
