

Friday 12<sup>th</sup> February

## Literacy

Today you need to finish writing the rest of your journey story. You should have already started writing the beginning and problem 1 and 2. Now you will finish writing problem 2 and start writing problem 3 and the ending.

You need to use your story map to help you.

Remember to include:

- Good and bad characters
- Problems
- How your problems will be solved
- How your characters are feeling
- Adjectives (descriptive words)
- Exclamation marks
- The ending – happy, sad?

Don't forget your capital letters and full stops. Remember your characters names will also need capital letters.

Once you have finished your journey story, read it to check for any mistakes or to see if you need to add any more to your story and then upload it to Teams. There is an assignment called 'Journey Story'.

I can't wait to read all of your stories!
