

At the end of every academic year we send a questionnaire to parents to capture how they feel the school year has gone. It is important to the Governors for the parents to feel like they have a voice and can offer suggestions and inform us of what is working well. Below are some of the quotes taken from the July 2019 questionnaires.

Really pleased with the positive atmosphere at the school. The level of teaching is at a very high standard and the teachers genuinely care about the pupils. My child has thrived at Westacre. **Year 2 parent.**

We are incredibly happy with the teaching and care the children receive at Westacre. **Year 2 parent**

My son loves nursery and we are delighted with his progress, Mrs Bryant is so fantastic with the children in nursery. **Nursery parent**

Mrs Bryant has provided a nurturing, exciting and safe nursery experience for my child, The knowledge, independence and friendships she has developed has been an ongoing pleasure (to see), Thank you.

Nursery parent

Great to see Headteacher on the gate when nursery opens, welcoming children to school and also there to deal with parent queries. **Nursery parent**

Very pleased with my child's teacher and the progress he has achieved with their support. **Reception parent**

We feel the recent open day was a great success and was lovely to see the children's work. Allowing them to show off their work gave my child a great sense of achievement and made her very proud. **Reception parent**

We feel Mr Edmunds is moving the school along positively. We're excited to see what else he brings to the school over the years. My son has had a wonderful first year at Westacre and he couldn't be happier there-thank you. **Reception parent**

The school report was thorough and full details were given of progression, I was really impressed with the layout. The small things like Mr Edmunds opening the school gates in the morning and after school speaks volumes about the school and gives us a very good impression about how the school is run. **Reception parent**

My child's teacher spent a lot of time at parents evening going through phonics-they are a credit to your school! **Year 1 parent**

Thank you for the hard work of the Governors and Mr Edmunds and staff with all of the new changes made to benefit our children and keep them safe. **Year 2 parent**

Friendship, Honesty, Kindness, Teamwork, Perseverance, Respect
