### **Message from Mr Edmunds**

May I take this opportunity to officially welcome you to what has been a very strange and testing start to the academic year. I have to start by saying, 'Your children are amazing!' They have adapted really well to all the new systems and rules. The children are doing everything we ask of them and they continue to make us smile everyday.

Everyone has settled into the new classrooms and they all look very smart in their new uniforms. A special mention to our new Reception children who have been really brave. It has been a delight meeting them for the first time and getting to know them.

Thank you everyone for your patience and understanding during what is incredibly overwhelming at times for us all. With your continued support, we will get through this and make sure your children are thriving and enjoying school. Despite the situation, we will ensure your children have fond memories of what we do at Westacre Infant School.

Take care and have a great weekend.

### **Important Messages/Reminders**

Please adhere to the staggered arrival times and departure times unless you have siblings in the school. We will not let anyone in the school before their allocated time and we need to reduce the amount of adults we have on school premises at any given time.

The children as of Monday will be able to bring in their own water bottle. The bottle must only contain water and it must be clearly labelled with their names.

As parents and carers it is your duty to ensure that your children do not run around the car park or up and down the ramp at the beginning and the end of the day. We have seen several children this week running behind and in-between cars.

If you change your contact details, it is essential that you inform the office staff so that we can make the necessary updates on our system.
