Dear Parents and Carers,

I hope that despite the troubled times you have managed to enjoy the Summer with your children. We are ready and eagerly waiting to support you and your children in September. We aim to make the transition back into school as easy as possible by following government guidance and adapting our systems as and when necessary.

The staff have made plans to allow your children the chance to adjust to what we are doing in school, but we hope to give your children schooling, as it should be.

A Covid - 19 Risk Assessment is now available for you to view in the Covid - 19 Information section of the website. The Risk Assessment has been implemented in preparation for **all** of the children returning to school in September.

To ensure that the children start on the correct days and there are minimal adults on the school site at any given time, please remind yourself of the requirements in the **September Arrangements Letter**.

We have recently been informed; we may not have School Patrol Crossing support in September due to vacancies. With that in mind, I ask you to park sensibly and take extra care when you are crossing the main road to access the school site. Parents and Carers are not allowed to use the School Car Park at any time before and after school.

If you have any concerns regarding the well-being of your children in relation to your children returning or starting school in September, then please email the school directly and we will endeavour to respond in a timely manner.

Stay safe and see you all soon.

Mr Aidan Edmunds

Headteacher
